The above product has been assessed and found to comply with the ENERGY STAR Program Requirements for Lamps (Light Bulbs) Version 2.1

Certification of the product means that based on evidence presented in the above test report, BACL confirms that the product has met the requirements of the above noted program. This certificate is issued on condition that the holder continues to comply with the specific requirements issued by EPA.

User needs to check the current Qualified Products List on the ENERGY STAR website at <https://www.energystar.gov> before applying the ENERGY STAR logo to the product listed above.
